# GENERAL INFORMATION

## ACCIDENTS

All injuries or **accidents**, however slight, must be reported to the teacher, bus driver, principal, nurse, or staff member in charge who will then take appropriate action. The staff member who witnessed the accident or has the accident reported to them must fill out the appropriate Student Accident Report and forward the report to the principal. Student Accident Report forms are available in the Main Office.

## ADVERTISING FOR OUTSIDE ACTIVITIES

Students may not post announcements or advertisements for outside activities without receiving prior approval from the Principal. The Principal will attempt to respond to a request for approval within one school day of its receipt.

## ANNOUNCEMENTS

Video announcements are made and posted to the website through our Mass Media-Journalism class. Students are expected to pay attention to the announcements. Forms for announcements can be obtained in the Main Office. Announcements should be legible (typed; if possible), signed by a faculty advisor and turned into the Main Office on or before 7:30 A.M. the day the announcement is read. All announcements are subject to approval by the building principal. For students' convenience, public address announcements are posted throughout the high school building and on the website. For any scheduled meetings or activities, announcements should be received no more than two days in advance.

## ASSEMBLIES

All assemblies must have prior approval of the high school principal. Students are required to attend all assemblies. It is expected that students attending any assembly or special program will observe the following general guidelines: 1.) Keep feet off the seats (including the seat in front of you), sit up, watch, and listen; 2.) Be quiet while others are performing or speaking; 3.) Applaud to show appreciation, don't whistle, shout or stomp feet; 4.) Do not throw paper or other objects; 5.) Do not take food or drink of any kind into the auditorium/gymnasium; 6.) Show respect to the presenters at all times; and 7.) Do not leave your seat until dismissed, except for an emergency.

## BACKPACKS / BOOK BAGS / PURSES / STRING BAGS

Backpacks/book bags may be brought to school and must be put into your locker at the start of the school day, where they are to remain until dismissal time. Students are not permitted to take backpacks/book bags to classes and are subject to disciplinary consequences for non-compliance. This includes suitcases, laptop cases, totes, duffle bags, string bags, etc. Purses utilized to carry books and/or school supplies must also be placed in the student's locker during the school day.

## **BICYCLES AND SKATEBOARDS**

Students are not permitted to ride bicycles or bring skateboards / rollerblades to school. Skateboarding and rollerblading are not permitted on high school property during or after school hours.

## **BUS REGULATIONS**

The School provides transportation for all students. The transportation schedule and routes are available by either accessing the transportation tab on your student's Infinite Campus account or by contacting the Transportation Department at 440-543-9567. Each student shall be on time at the designated place of safety five (5) minutes prior to the scheduled stop; 3301-83-13(B)(6). Students may only ride assigned buses and must board and depart from the bus at assigned bus stops. Bus passes are issued to only the following: existing stops (ie another students home), KCE after school activities, shared parenting within the district and daycare providers. Students will not be permitted to ride unassigned buses for any reason other than an emergency, except as approved by the Principal. The principal may approve a change in a student's regular assigned bus stop to address a special need. Bus passes are only approved or issued if room exists on requested route. Parents should send a note to the principal stating the reason for the request and the duration of the requested change. The Board of Education has installed video cameras on school buses to monitor student behavior. If a student misbehaves on a bus and his/her actions are recorded on a videotape, the tape will be submitted to the Principal and may be used as evidence of misbehavior.

Students are to promptly obey the instructions of the driver. Possession of tobacco products, matches, lighters, smoke bombs, stink bombs, firebombs, and firecrackers are not permitted. Smoking, using tobacco products, lighting matches or lighters, eating, drinking, obscenity, profanity, or loud talking or whistling are not permitted. Students are to remain seated and keep all parts of their body inside the bus while the bus is in motion. Throwing objects in the bus or out of the window or using a water gun will not be permitted. Students who ride a bus to an activity must return on that bus after the activity is completed. Parents will be notified of their child's unsatisfactory conduct on a school bus. Students will be denied bus transportation for unsatisfactory behavior (Policy 5610.04). **\*NOTE: When buses are late to school, students must check into the Attendance Office upon arrival. Questions regarding transportation may be answered by the Transportation Office at 440-543-9567.**

## **CAFETERIA**

Kenston High School has a closed lunch period. This means that all students will eat lunch at school and remain on the grounds during the lunch periods. Each student is assigned only one lunch period and the time is indicated on his/her schedule. All students are expected to eat in the cafeteria. For safety purposes, seating at each table is limited to 8 students. No food is to be taken from the cafeteria into the halls or classrooms. While in the cafeteria, students are expected to behave in an orderly manner and respect the rights of others. Crowding or cutting into line in the cafeteria is unfair to fellow students and will not be tolerated. Students who violate these guidelines will be assigned clean-up duties or will be issued a referral to the assistant principal's office. Throwing food or objects may result in disciplinary consequences. Students are expected to keep their tables clear and the floor cleaned of food or paper. All disposable items are to be placed in waste cans provided throughout the room. If a student forgets his/her lunch, the lunch should be labeled and can be dropped off at the main office where it will be placed in the general lunchbox where students can access it in the café. **No food may be brought in or ordered from restaurants, pizza, fast food, etc. for lunch without prior permission from an administrator. Disciplinary action may result.**

## **CLASSROOM REQUIREMENTS**

Students are required to bring textbooks, completed assignments, and any necessary materials to each class. Mature behavior is expected of all students. Students who are well-disciplined direct their interests, efforts, and abilities toward greater achievements. Teachers are in charge of classrooms at all times. Students are expected to accept the teacher's decision concerning how the classroom will be conducted. Substitute teachers are to be given the same respect and courtesy as would be given to the regular classroom teacher. Kenston High School students are subject to the control of any administrator, teacher, or other school employee whenever they are on the school grounds or in school buildings.

## **CLINIC**

The school is equipped with a clinic to take care of minor first aid situations. Students who become ill during the school day are to report to the clinic after their teacher has given them a pass. Students should use the school's clinic facility in all emergencies. In the event that the nurse is not available, students must report to the assistant principal's

office. Students are not to use the clinic without permission of the school nurse or an administrator. **No student should leave the building because of an accident or ill health without first receiving permission from the nurse or an assistant principal in charge. This will be considered truancy and is subject to disciplinary consequences. Please note: Medication forms and parent/guardian consent for medical records release forms can be downloaded from the Kenston Website under <http://kenstonlocal.org/khs/about/printable-forms/>**

## **ELEVATOR KEY**

If at any time during the school day you need to use the elevator for health reasons, the following procedure needs to be followed:

- 1) Written or verbal verification (telephone call) from a parent/guardian of the need to use the elevator during the school day.
- 2) Register (contract must be completed and signed) in the Main Office to receive an elevator key.
- 3) If you need assistance carrying supplies (book bag) while using the elevator, the name of your friend will need to be registered at this time also.
- 4) Return the elevator key to the Main Office when use of the elevator is no longer needed. **If the elevator key is lost while signed out to an individual or there is failure to return the key for any reason, there will be a charge of \$25.00 to replace the key.**

## **EMERGENCY MEDICAL INFORMATION**

Each year, all students are required to update the Student Verification Form including the state required Emergency Medical Information and Consent by the first week of September. Forms are completed online through Infinite Campus and must be submitted by the deadline. Failure to comply with this request may result in exclusion from school and/or school activities.

## **FREE AND REDUCED**

The school will notify all families of the availability, eligibility requirements, and application procedure for free and reduced-price meals by distributing an application to the family of each student enrolled in the school and shall seek out and apply for such Federal, State, and local funds as may be applied to the Corporation's program of free and reduced-price meals.

## **GUARDIANSHIP INFORMATION**

Occasionally families experience situations whereby guardianship of sons/daughters change. Such situations could result from the remarrying of a parent or the divorce of a student's parents. As a result of such circumstances, the **school needs to be promptly informed regarding any changes in the legal guardianship of a student.** Such updated information is necessary to safeguard situations such as the early release of a student from school, support dispensation of medicine, or to assist home-school communication. Please contact your son's/daughter's counselor if there has been any change in their legal guardianship.

**A copy of the court ordered guardianship papers must be submitted to the guidance office to be kept on file in the student's permanent record.**

## **LIBRARY / MEDIA CENTER**

The library is an essential link that connects students, teachers, and others with the information resources they need. The school library serves as a curriculum resource for the entire building. To that end, students wishing to use the library during homeroom should have a pass from their curriculum area teacher indicating the nature of their assignment. In addition, students wishing to come to the library to obtain a book for pleasure/recreational reading will also need a pass from any of their classroom teachers. The student should first report to homeroom with their curriculum pass and show it to the homeroom teacher. They can proceed from there to the library.

**Upon entering the library, ALL students will be asked to sign in for attendance purposes.** Appropriate behavior in the library will be expected, and anyone not abiding by guidelines will be returned to their class or homeroom. In the block schedule setting, the majority of library usage will be initiated by the classroom teachers as they reserve the library for classroom research assignments. The librarian, upon the request of the classroom teacher, will direct instruction in information literacy skills. **Personal e-mail is not allowed. NO FOOD OR DRINK WILL BE ALLOWED IN**

**THE LIBRARY.** If an item checked out by the student is lost, the student is responsible to pay for the replacement cost of the item.

## **LOCKERS**

**Students must use the locker which is assigned to them. Students who allow other students to use their lockers are subject to disciplinary consequences.** Any problems with lockers should be referred to the main office. Lockers have built-in combination locks and students are cautioned not to share the combination with others. Writing on the outside and/or inside of a locker is prohibited, and the student assigned to that locker will be subject to disciplinary action. Students that tamper with or jam their lockers in order to prevent them from locking are subject to disciplinary consequences and this action may be considered as vandalism. Also, any damage occurring through carelessness, kicking, slamming, etc., will be considered vandalism.

Students are assigned lockers for their convenience in storing books and personal items; however, such assignment does not limit the right of the school officials to examine the lockers when they believe it necessary for the safe operation of the school. The lockers, supplied by the Board of Education and used by the students, are the property of the Board of Education. Therefore, the student lockers and the contents of all student lockers are subject to random search at any time without regard to whether there is a reasonable suspicion that any locker or its contents contain evidence of a violation of a criminal statute or a school rule. Random searches may include a search with the assistance of dogs trained to detect the presence of drugs.

**Materials left in lockers will be removed and disposed of at the end of the school year or athletic season.**  
**The school is not responsible for any items missing or stolen from school lockers, including gym lockers.**

## **LOST AND FOUND / CARE OF PROPERTY**

Students should check in the Main Office for any lost or missing items. Students are responsible for the care of their own personal property. The school is not responsible for personal property. Valuables such as jewelry or irreplaceable items should not be brought to school. Damage or loss of school equipment and facilities undermines the school program. Therefore, if a student damages or loses school property, the student and/or his/her parents will be required to pay for the replacement or repair. If the damage or loss was intentional, the student will be subject to discipline according to the Student Discipline Code.

## **MEDICATION**

If circumstances demand that a student needs medication to attend school, the following guidelines must be observed. For prescription medication to be given in school, a Medication Request and Authorization Form must be filled out completely and signed by both the physician and parent. An adult must bring the medication and completed form to school. The medication must be in the original container. All prescription medication is kept in a locked cabinet and recorded on a log when it is administered. Only the school nurse, health aide, or a designated school official may administer medication to a student.

Non-prescription medication can be brought to school and taken by students. In order for a student to take and carry the medication, a Medication Request and Authorization Form must be completed, minus the physician's signature, and signed by a parent/guardian. Again, the medication must be in the original container. This form is kept on file in the clinic. If a parent/guardian wishes, non-prescription medication can be kept in the clinic and administered to a student as needed. It is the nurse's responsibility to review all medication administered at the school on an as-needed basis.

## **NOTIFICATION OF INTENT TO DISPLAY STUDENT NAMES AND PHOTOS IN PUBLIC MEDIA, NEWSPAPERS, AND THE INTERNET**

During the course of a day, special student achievements and group activities often occur in our district's schools. Sometimes these commendable activities merit student recognition, not only by a student's particular school, but also through newspaper photographs and possibly communication formats such as the Internet. Such recognition could take the form of a student picture and/or identification of the student by their name.

**\*NOTE:** The district seeks to inform parents/guardians that such special individual or group activities could result in student pictures and names being placed in newspaper, brochures and/or on the school's or district's website **UNLESS a student's parents/guardians notify the building principal in writing that the student's name/picture are not to appear in such public media formats (newspapers, brochures, Internet, etc).**

## **SAFETY DRILLS / SURVEILLANCE CAMERAS**

Simulated safety drills including fire, tornado, lockdown and evacuation drills will occur periodically throughout the year in order prepare students and to review proper procedures and protocols during certain crisis situations. Each room in the school district has posted emergency procedures for staff to refer to. In the event of a real emergency the building Emergency Management Plan will be followed as described in Policies 8400, 8420. The presence of surveillance cameras within the school building and grounds are primarily designed to act as a deterrent to inappropriate behaviors towards students, staff, the community, and to school facilities.

## **SAFE HOTLINE**

We encourage students and parents to immediately report threats or incidents to school officials, local law enforcement, or use the anonymous Ohio Safer Schools Tip Line. Text 844-SAFEROH or Call 844-723-3764.

## **SCHOOL CLOSING AND DELAYED START**

In case of severe weather or a calamity requiring school to be closed, an official announcement will be made via: AlertNow phone call to the home and any additional contact numbers provided for students and staff, posted on the district website and on Twitter@KenstonSchools. If you are uncertain about school closings, you can call 564-2134 for up-to-date information. The message is updated by 6:30 a.m. when conditions warrant.

A delayed start will only be used if the weather forecast indicates that the current conditions will improve soon after school opens and it is safe to transport students. Staff is expected to report as close to regular time as possible. With a delayed start, dismissal is at the regular time.

## **SCHOOL PROPERTY**

Textbooks, and any other supplies or equipment, are furnished by the Kenston Board of Education. They are not the property of the student. Students are liable for any damage to or loss of books, materials or equipment issued to them by a teacher, coach or advisor. Students who find lost articles must take them to the main office. Protect school property from defacement or destruction by setting a good example, by exerting influence upon friends, and by reporting acts of vandalism to teachers or the administration.

## **SNACKS / DRINKS**

Food or drinks, including snacks, are to be consumed only in the café during lunch periods. Water is only permitted in the academic hallways. This means that no food or other beverages should be seen in the halls, classrooms, or anywhere else in the building. The students' cooperation pertaining to this situation is appreciated by all. The appearance of the school reflects the attitude of the student body. School hallways should also be kept free of litter. Students who carry a water bottle should use the water filling stations to refill throughout the day.

## **STUDENT DELIVERIES / MESSAGES**

Because the delivery of messages or personal items (lunch, clothing, shoes, etc.) to students during school hours causes disruption of classes, all family business (reminder of appointments, etc.) should be attended to before the student leaves home in the morning. Students will be given legitimate emergency messages from parents as soon as possible, but these should be kept to a minimum. Items dropped off will be held in the main office and students should check in the main office periodically throughout the day for these items. **\*NOTE:** Students who receive deliveries of flowers, balloons, etc. will be notified by the office that these items can be picked up after school. Under no circumstances will these be delivered to students in classrooms or be picked up before the end of the school day. **No food may be brought in or ordered from restaurants, pizza, fast food, etc. for lunch without prior permission from an administrator. Disciplinary action may result.**

## **STUDENT OBLIGATIONS / FEES / FINES**

All Student Verification forms, immunization records, obligations, fees, etc., should be completed by the first week of September. Students are responsible for all textbooks and other school property issued to them during the course of the school year. All of these items must be returned to the teacher or the office at the end of each semester or at the end of the school year. Students who fail to return school property will be held responsible for the property. **Reports cards will be not be released until the property is paid for or returned.** Seniors will not be allowed to receive their Diploma or participate in commencement, and their transcript will be held until all obligations are met. Students will be invoiced for

courses with fees at the beginning of each semester. Obligation letters will be sent for unpaid fees or lost materials. A senior fee of \$25.00 per student is assessed to cover the cost of graduation and senior brunch, **excluding** the cost of cap and gown to be ordered through Jostens in December-January. If a student chooses not to participate in commencement, the fee will be removed or reimbursed.

## **STUDENTS IN THE BUILDING**

When school is **not** in session, only students who are authorized for an activity should be in the building. Permission for an activity to be held is granted to faculty activity sponsors through the principal. Students not participating in an authorized activity are to be out of the building by 2:30 P.M.

## **TEXTBOOKS**

All textbooks are issued by classroom teachers. Each student is responsible for his/her textbook which is numbered and recorded. If textbooks are damaged or lost, the student will be charged accordingly. All issued materials must be returned in satisfactory condition by the student to the classroom teacher by the last day of class. Grades, transcripts, and schedules will be withheld until lost or damaged textbooks are paid for or returned. Seniors who have not returned textbooks or paid for them will not be permitted to participate in commencement.

## **VISITORS DURING SCHOOL HOURS**

Kenston safety procedures require all visitors to check-in through the entrance buzzer system. If visitors are dropping off forgotten items for students, they will be asked to label the items with student's name and grade and leave them on a bench or table. (Lunches, homework, books, papers, clothing, envelopes, etc.) The items will be brought to the main office for student delivery by school personnel. If there is a scheduled appointment for a staff member in the building, the appointment will be confirmed before the visitor enters the building. If there is no appointment scheduled, the availability of the staff member will be checked or a message will be taken if the staff member is unable to meet. Student guests are NOT permitted during regular school hours and the school does not offer "shadowing" of classes.

## **WORK PERMITS**

Guidelines and applications for work permits may be obtained in the high school Main Office. When applications are completed, they must be returned to the Main Office along with a copy of a Birth Certificate for verification of age.

# **ATTENDANCE**

The educational program offered by this District is predicated upon the presence of the student and requires continuity of instruction and classroom participation. Attendance shall be required of all students enrolled in the school during the days and hours that the school is in session or during the attendance sessions to which he/she has been assigned (Board Policy 5200). In accordance with statute (Ohio Revised Code), the Board considers the following factors to be reasonable excuses for time missed at school:

- Recovery from accident
- Required court attendance
- Death in the family
- Illness
- Observation or celebration of a bona fide religious holiday
- Such good cause as may be acceptable to the Superintendent and/or that may be recognized in district guidelines
- Factors identified in Ohio Revised Code: illness, funerals, quarantine, religious holidays
- Such good cause as may be acceptable to the building principal

*Absences for all other reasons are considered unexcused.*

Ohio Revised Code determines how schools must report student absences and other time out of school. **All time** out of school, including coming in late and early dismissals, is now included in student attendance totals. Every minute of missed instruction is classified as an absence and the term "tardy" is no longer used. Limiting scheduled appointments to before or after school and weekend hours will help students avoid reaching the new absence limits. Parents are encouraged to schedule vacations during school breaks. Please continue to report absences to the school or attendance office each day as well as submitting a doctor's excuse for verification of any student absences for medical reasons.

Student attendance is important to supporting the student's success in his/her school studies. Failure in one grading period does not necessarily indicate failure for a full semester or a full year. For the purpose of grading, a student or the student's parent/guardian shall be entitled to appeal any failing grade under this policy with the building principal. An appeal shall be granted if the Principal determines that an unexcused absence is to be reclassified as an excused absence, such that the total number of unexcused absences is less than five (5) days. Such reclassification should be based upon a mistake in classification or unusual student hardships, such as pregnancy, family problems, etc. (Policy 5200). Additionally, Sections 3321.01 to 3321.99 of the Ohio Revised Code (O.R.C.) deal with school attendance and define the following:

- Habitual Truant – a child of compulsory school age who has been absent without legitimate excuse for 30 or more consecutive school hours, 42 or more hours in one school month, or 72 or more hours in a school year.
- Excessive Absences – a child of compulsory school age who has been absent ***with or without*** legitimate excuse for 38 or more hours in one school month or 65 or more hours in one school year.

When a student is habitually truant, the district will notify the student's parents/guardian in writing within 7 days of the triggering absence as well as work with an absence intervention team to develop an absence intervention plan to improve the student's attendance. The student's parent/guardian and student will participate as members of the intervention team in devising a successful plan. If the student does not make progress on the plan within 61 days or continues to be absent, the district will file a complaint in the juvenile court.

When a student is excessively absent, the district will notify the student's parents/guardian in writing within 7 days of the triggering absence. The district may develop an absence intervention plan for the student and/or be referred to community resources to help improve attendance.

## **ATTENDANCE PROCEDURES**

### **Absent From School**

Parents/guardians are requested to call the attendance voice-mail at 440-708-1811 when their child is absent. The information to be given is: parent name, student name, reason for absence, and date of absence. If a phone call is not received, the student is required to present a written excuse on the day he/she returns to school. If no written excuse or phone call has been received within twenty-four (24) hours of the student's return to school, the absence will be considered unexcused.

- ***Excused Absence*** – reasons for excused absences are in accordance with Ohio Revised Code, (see previous page). The student may make-up any work missed due to an excused absence. The student has one (1) day of make-up for each day absent. It is the student's responsibility to contact the teacher for work missed.
- ***Unexcused Absence*** – an unexcused absence will result in a zero ("0") for each class period missed. Students who have a pattern of absences on test days will be required to verify their absences with a doctor's note. Failure to provide an acceptable reason for absences on test days could result in receiving a zero ("0") on the test.

### **ATTENDANCE AT SCHOOL ACTIVITIES / ATHLETIC EVENTS**

Students who are absent for the day are **not permitted** to participate in or attend after-school functions (athletic events, dances, plays, etc). Students who wish to participate in or attend extracurricular events must be in school by 10:45 A.M. and remain in school throughout the day on the day the activity occurs. Students wishing to participate in or attend school activities on Saturday must be in school by 10:45 A.M. on the Friday preceding the event and remain in school throughout the day.

### **EARLY DISMISSAL**

Students may request an early dismissal for the same reasons granted for absences under the Ohio Revised Code. Contact with parents/guardians will be made to verify the reason for the request. Excessive early release requests can be denied if reasons for the requests are not consistent with medical or emergency reasons. The administration reserves the right to request twenty-four (24) hours notice for approval of an early dismissal.

## **ILLNESS DURING THE SCHOOL DAY**

Should a student become ill during the school day, he/she should receive permission from the classroom teacher to report to the Assistant Principal's office. If the nurse is in the building, the student will be sent to the clinic. Should the nurse decide the student should go home, she will advise the parent/guardian of the situation so they can make arrangements for the student to leave school. When a parent/guardian cannot be reached, the ill student will remain in school until the regular departure time. Should the illness be of a serious nature, the Assistant Principal or nurse will take whatever steps are deemed necessary. **AT NO TIME IS THE STUDENT PERMITTED TO LEAVE SCHOOL WITHOUT PERMISSION.**

## **PLANNED ABSENCE / STUDENT VACATION / COLLEGE VISITATION POLICY**

In the event of family vacations or other planned absences, the student should have the opportunity to obtain assignments in advance. A Planned Absence Request Form may be obtained from the Attendance Office. It must be filled out and submitted to the Assistant Principal at least one day before the departure. Any tests or quizzes missed due to a planned absence must be rescheduled with the teacher before the planned absence begins. It is not reasonable to expect teachers to make special tests for students absent under such circumstances; however, students should not be unreasonably penalized. Make-up tests and assignments will be entered into the grade average for the period.

The teacher will not be expected to provide make-up tutoring. The student can be expected to assume responsibility for scheduling all tests and assignments on the day of return. Absences due to vacation and college visitations are subject to the parameters of Ohio Revised Code.

**A maximum of five (5) days will be permitted for college visitations. A maximum of five (5) days will be permitted for vacations. Finals will be given on the scheduled dates. Students may not take finals early.**

## **STATE STATUTE ON ATTENDANCE / DRUGS / ALCOHOL VIOLATIONS**

In compliance with state statutes, the Geauga County Board of Education affirms that it is necessary to monitor student attendance and drug and alcohol violations. Therefore, the following policy will be implemented:

No student under the age of 18 will be permitted to withdraw without the written consent of a parent/guardian and in compliance with State Law. Whenever a student under the age of 18 withdraws from school without moving out of state, transferring to another approved school, or enrolling in and attending an approved program, the Local Superintendent (or designee) shall notify the County Office which in turn will notify the Registrar of Motor Vehicles and the Juvenile Court. Such notification is to be given within two (2) weeks after the Local Superintendent (or designee) confirms the student has not moved out of state and is not enrolled in and attending another approved school or program.

In accordance with local District Policy, whenever any student under the age of 18 has been absent without legitimate excuse from school for more than 60 consecutive hours in a single month or 90 hours in a school year, the Board authorizes the County Board of Education and County Superintendent (or designee) to notify the Registrar of Motor Vehicles and the Judge of Juvenile Court of the student's excessive truancy.

Prior to County Office action, the local district and/or the County Attendance Officer will attempt to correct the truancy problem and will inform parents of the possibility of the child losing driving privileges.

Whenever a student is suspended or expelled for possession or use of drugs/alcohol as defined, the Local Superintendent (or designee) may notify the County Office to inform the Registrar of Motor Vehicles and the Judge of the Juvenile Court. Such notification is to be given within two (2) weeks after the suspension or expulsion in a manner that complies with the provisions of O.R.C. 3321.13 (B) (3).

## **TARDY TO SCHOOL / MORNING ABSENCE / TARDY TO CLASS**

The new attendance law (House Bill 410) requires schools to document each minute of missed instruction. Therefore the term "tardy" will be replaced with the term "morning absence". When a student is late to school, the morning absence is generally unexcused except for extenuating circumstances and only for those considered reasonable by the Board of Education and in accordance with state statute as indicated in the Ohio Revised Code (see page 11-13, "Attendance," for further clarification). To be legitimately excused, the student must provide a written note from a parent or other verifiable documentation explaining the reason for their late arrival to school. Parents / guardians may be called for verification. No student will be permitted more than five (5) excused morning absences and two (2) unexcused morning absences per semester.

**Students are expected to be seated in their classrooms no later than 7:45 A.M. each day. Students arriving after 7:45 A.M. must report to the Attendance Office.**

**Tardies to class** are considered unexcused unless the student has a pass from the office excusing them or a pass from another teacher. Any student who is tardy to class more than two (2) times will receive an office referral which may result in a detention. Each subsequent tardy referral will result in consequences which may include Detentions, Saturday Detentions, or In-School Restriction.

## **STUDENT PICK UP / PARKING / DRIVING**

The student's pick up and drop off location will be at the main entrance of the high school. Students shall not be picked up or dropped off at any other locations due to the sign-in procedures as well as the traffic pattern during dismissal.

All students driving cars/motorcycles to school must register the make and license number of the car/motorcycle with the high school office. The District Vehicle Registration Forms (5515 F1, 5515 F2) must be filled out and returned to the high school office, along with the proper fee, to obtain a parking permit. Permits are issued to seniors, juniors, and sophomores ONLY.

### **Driving to school and parking on school property is a privilege, not a right.**

The following are driving / parking regulations:

1. Student vehicles shall be parked in the designated student parking area only. Student vehicles that are parked in any other area may be towed at the owner's expense in addition to possible disciplinary consequences and/or tickets issued by the school.
2. The permit must be displayed from the rear view mirror with the front showing through the windshield at all times while on school property.
3. Students are not permitted in the student parking lot during the day without permission and a pass from a school administrator.
4. Vehicles driven or parked on school property are subject to the search and seizure policy of the Kenston Local Schools.
5. Reasonable care must be shown by all drivers. All traffic laws and regulations must be obeyed. Any reckless operation or excessive speed (over 5 mph) could result in loss of driving privileges, school disciplinary consequences, or school issued tickets.
6. The student driver will be responsible for lost or stolen permits. Lost or stolen permits will be replaced at the student's expense.

7. Excessive morning absences will result in the loss of parking privileges. Leaving school without permission will result in the loss of driving/parking privileges.
8. Park at your own risk. The Kenston Board of Education and administration assumes no liability for theft of personal items, accidents, or for vehicular damage on school property for any reason.
9. Permits are not transferable.
10. Any change in vehicle or license number must be reported immediately to the Main Office or the vehicle may be towed.
11. No permits will be issued to full-time CCP students.
12. Senior Early Graduates must turn in their permits to the Main Office in order to fulfill their Early Graduation requirements.
13. Temporary permits may be issued to students with 24-hour advance notice for good cause and with administrative approval.
14. Vehicle caravans are not permitted and will result in the loss of driving/parking privileges.
15. Any violation of the student driving/parking regulations or violations of the Student Code of Conduct may result in the loss of driving/parking privileges and/or disciplinary consequences as determined by the school administration.

## **GUIDANCE SERVICES**

Various guidance services are designed to assist the individual student to make the most of his / her own abilities and opportunities while at Kenston High School. The counselors value the opportunity to help each student and at all times maintain an "open door" policy. To help facilitate all students who need to see their guidance counselor, a pass should be obtained from the guidance secretary, and an appointment will be scheduled as soon as possible. Guidance services include, but are not limited to, the following:

- A. Course selection and scheduling issues, including schedule adjustments
- B. Checking and monitoring graduation requirements for their students
- C. Administering tests: PSAT, Advanced Placement exams and AIR end-of-course exams
- D. Post-high school planning, including processing college and scholarship applications, managing the transcripts, career assessment, and many other post-high school options
- E. Set-up and management of special events: College Planning Night, Financial Aid Info Night, College Credit Plus Information presentation, Career Day, college visitations by representatives of both public and private colleges, visitations by military recruiters, Auburn Career Center presentation, PEAK program, etc.

- G. Counseling students regarding issues that affect their academic progress

Parents are welcome at any time, but it is recommended to call the Guidance Office to make an appointment (Call 543-3035). Guidance counselors are assigned to students based on their last names. It is highly recommended for students and parents to contact the teacher at the first sign of academic difficulty. The classroom teacher will gladly confer with the student concerning achievement and study habits.

## **EDUCATIONAL OPTIONS**

The following Educational Options are available: Independent Study, online classes, Credit Flex, Pass/Fail, and Audit. For information and an application, students should meet with their counselor. **Students MUST declare by the end of the first week of the class** whether they will take the course with an educational option (Pass/Fail or Audit) or for a grade/credit. Only **one** elective course is allowed on an Audit basis and/or Pass/Fail basis during the **student's entire high school career**. Independent Studies must be arranged and approved **prior to the beginning of the academic school year**.

## **HOMEWORK REQUESTS**

When a student is absent **for more than one (1) day**, the parent should call the Guidance Office **by 9:00 A.M.** to request homework assignments. This allows time for teachers to receive requests, prepare assignments, and return homework to the Guidance Office. Parents are requested to pick up the student's homework between 2:30-3:30 P.M. in the Guidance Office, unless other arrangements have been made. If a student is absent for only one day, please contact classmates or teachers directly for homework assignments.

## **INTERVENTION ASSISTANCE TEAM (I.A.T.)**

The I.A.T. consists of various school personnel. The team meets on a regular basis to discuss students referred for academic, behavioral, attendance, social, or emotional concerns.

## **PEAK**

## **College Credit Plus Program**

All students meeting eligibility requirements may enroll at a public or private college or degree-granting technical school, on a part- or full-time basis, to complete nonsectarian college courses for high school and college credit. See **your Guidance Counselor for more information and application deadlines for this program. Also refer to the KHS website Guidance page.**

## **SCHEDULE CHANGES**

Schedule changes will be made only in the event of: 1) Academic misplacement (an error was made in placement due to incorrect evaluation of ability scores, past grades, etc.); 2) Technical error in the scheduling process (computer error); and/or 3) School initiated changes (change in master schedule, adjustments for balancing classes, etc.). Schedules **WILL NOT** be changed to accommodate neither dual credit courses nor teacher requests. Schedules will only be changed during the first two days of school. There will be no mid year requests for schedule changes.

## **TRANSFER OR WITHDRAWAL FROM SCHOOL**

Any student who anticipates withdrawing from school for any reason is requested to meet with the Guidance Counselor and the Principal/Assistant Principal prior to the withdrawal date. Students are required to obtain a **Withdrawal Form** from the Guidance Office. This form must be presented to each classroom teacher when the student returns his/her textbooks and other classroom materials. The teacher will issue a current grade and note any books or materials not returned. The student must have the librarian and the bookkeeper sign the form indicating all materials and financial obligations have been satisfied. **The form is then returned to the Guidance Office for an administrator's signature.** All textbooks, athletic equipment, and other school-issued materials must be returned and all obligations must be paid **before** transcripts will be sent to the new school. Parents are required to complete necessary paperwork in the Guidance Office for release of student records.

# ACADEMICS

The **grading system** (A, A-, B+, B, B-, C+, C, C-, D+, D, F) is used. All subjects will receive a final grade. **GPA's are factored into cumulative GPAs only when the course has been completed.**

In computing **semester and yearly grades**, percentage points are assigned to each letter grade using the formula 40-40-20. Each quarter is worth 40% while the final exam/project is worth 20%. **Honors and AP Courses will receive weighted points.** To calculate semester grades, you will double both quarter percentage grades, add the final exam percentage and divide by five.

Formula: 1<sup>st</sup> Quarter (x2) + 2<sup>nd</sup> Quarter (x2) + Final Exam / 5 = final grade

88% (x2) + 97% (x2) + 89% / 5 = final grade

1.76 + 1.94 + .89 = 4.59 / 5 = 92% A

Regular, Honors, AP Letter Grade	Grading Scale	Regular Points	Honors Points	AP & CCP Points
A	92-100%	4.0	4.5	5.0
A-	90-91%	3.7	4.2	4.7
B+	88-89%	3.3	3.8	4.3
B	82-87%	3.0	3.5	4.0
B-	80-81%	2.7	3.2	3.7
C+	78-79%	2.3	2.3	3.3
C	72-77%	2.0	2.0	3.0
C-	70-71%	1.7	1.7	2.7
D+	68-69%	1.3	1.3	1.3
D	60-67%	1.0	1.0	1.0
F	Below 60%	0	0	0
I-Incomplete Work		0	0	0

**Please note:** Students who pass the first nine weeks or the first semester can still fail the course. A failing grade can result from receiving an "F" the second part of the course due to lack of interest or no attempt.

## FINAL ASSESSMENTS / EXAMS

There will be final assessments/exams in every subject. All students are expected to prepare thoroughly for final examinations. Students failing to do so may have a letter placed in their permanent file indicating their lack of interest and cooperation. Students who refuse to take a final exam will receive an "F" in the course. In English, the portfolio is equivalent to the final exam. **Finals will be given on scheduled dates over two days. Students may not take finals early nor will they be permitted to leave early during the final exams.**

## HONOR ROLL / MERIT ROLL

Students who receive a 4.0 or higher for the grading period are listed on the **High Honor Roll**. Students who receive a 3.5 or better are listed on the **Honor Roll**. Students who receive a 3.0-3.499 are listed on the **Merit Roll**. Students who receive an Incomplete, D's or F's will not be listed on either roll.

## INCOMPLETES

**Incompletes ("I")** should be made up within one week after the close of the grading period. However, in cases of prolonged illness, a student may be given special permission to use a longer time in which to complete his/her work. An incomplete mark not made up within the given time becomes an "F".

**NOTE:** Due to eligibility requirements, students involved in athletics or extracurricular activities must have make-up work completed five (5) school days after the end of the grading period.

## LEVELS OF CREDIT

The following **credits** are necessary for a student to be promoted to the next grade level at Kenston High School:

**Freshman to Sophomore: 6 credits**

**Sophomore to Junior: 13 credits**

**Junior to Senior: 19 credits**

**Senior to graduate: 26 credits**

## **RETAKING A COURSE / FAILURES**

**Guidelines for retaking a class due to a failure or unsatisfactory grade are as follows:**

1. Students not passing a required academic class that is in a given sequence will normally be required to make up the course in the next semester or retake the course through a summer credit recovery program.
2. If a student receives any grade other than an "F," the same course may be repeated only with permission from the administration. The new grade will replace the failed grade on the transcript and factor into the cumulative GPA. Courses that are re-taken by students in order to secure a higher grade will not be considered in order to qualify for Summa, Magna, or Cum Laude.

## **INFINITE CAMPUS**

Students and parents have the ability to monitor academic progress, achievement, attendance, and class schedules through the district online service known as Infinite Campus. Students and parents can access this system with a secure login and password. Teachers will update class assignments, tests and projects when they are graded. Account access may be denied if your school fees are not paid up to date. Please check the status of all fees with the bookkeeper.

# **STUDENT RECOGNITION**

## **ACADEMIC AWARDS PROGRAM**

In the spring of each year, students are recognized by their teachers for academic excellence and leadership at an evening **Academic Awards Program**. Top students in each course, as determined by faculty from each department, are awarded a Departmental Plaque. When three Departmental Plaques have been received by one student, an Academic Letter is awarded. Six Departmental Plaques warrant an Academic Medal. An Academic Plaque is awarded to students earning nine Departmental Plaques. A Plaque of Honor is awarded to those students who have received twelve or more Departmental Plaques. Other distinguished awards are also awarded.

## **ACADEMIC BOOSTERS**

The Academic Boosters promote, recognize, and reward academic achievement at all levels. Recognition includes: students who raise their GPA by 0.5 or more from the first grading period to the next of each semester will receive gift cards; the Top 15 Senior Recognition Event honors the top 15 academically-ranked seniors and their inspirational teachers of choice; and students who earn an Academic Letter and a Varsity Athletic Letter will receive a Scholar Torch. In addition, Academic Boosters is sponsoring the President's Award for Academic Excellence. This award requires the students to maintain a 3.5 UNWEIGHTED cumulative GPA and submit documented, approved community service hours. Seniors are required to submit 100 hours; juniors 75 hours; sophomores 50 hours and freshmen 25 hours.

## **ROTARY SENIOR OF THE MONTH**

The Chagrin Valley Rotary Club provides recognition to high school seniors who display service and leadership qualities. The criteria used are: grade point average, extracurricular activities and community service. **Rotary Senior of the Month** selection is made upon recommendations of the administration, guidance counselors and faculty. Breakfast meetings are held twice during the month.

## **PERFECT ATTENDANCE AWARD**

The perfect attendance award will honor senior students who were not absent during any part of a school day beginning in ninth grade and ending in twelfth grade. The only exceptions, with administrative approval, are school field trips and/or a death in the family.

## **STUDENT OF THE MONTH**

Each month, teachers nominate students who have demonstrated any of the following: qualities of leadership, academic excellence, academic improvement, and improved work performance. Students that are nominated are voted upon by the teachers and staff. The top male and female from each grade level are recognized as the **Student of the Month**. Pictures of these students are displayed near the Main Office and on the KHS Website.

## **COMMUNITY SERVICE AWARD**

Graduating seniors who have accumulated 60 hours of community service or more during their high school career will receive an honor cord to wear at graduation. The hours must be documented, approved and on file in the Guidance office.

## **TOBACCO / ALCOHOL / DRUG GUIDELINES FOR EXTRACURRICULAR ACTIVITIES AND INTERSCHOLASTIC ATHLETICS**

### **STATEMENT OF PHILOSOPHY**

The State of Ohio, the Kenston Board of Education, Administrators, Athletic Department, and activity advisors of Kenston Local Schools consider participation in curricular/extracurricular activities (with advisors) and interscholastic athletics to be a privilege, not a right. Students volunteering to participate in these programs are expected to accept the responsibilities granted them by this privilege.

As representatives of our school district, students involved in extracurricular activities and interscholastic athletics are scrutinized by the public, become role models for young children and peers, and are ambassadors to our community. In choosing to accept this role, participants also choose the responsibility of living a lifestyle free of tobacco, alcohol, and drugs.

In keeping with the philosophy of education, the Board of Education, Administrators, Athletic Department, and activity advisors of the Kenston Local School District view tobacco, alcohol, and drug use not only as a violation of the law, but also as a problematic behavior which has an adverse effect on individuals and the programs in which they are involved. It is the intent, therefore, to support a program which encourages students to recognize and deal with the causes for their use through contact with the appropriate agency (private counselors, treatment facilities, etc.) rather than being punitive in nature.

For the purpose of these guidelines, drugs are defined in Board Policy 5530 as follows:

- A. all dangerous controlled substances as so designated and prohibited by Ohio statute;
- B. all chemicals which release toxic vapors;
- C. all alcoholic beverages;
- D. any prescription or patient drug, except those for which permission to use in school has been granted pursuant to board policy, and that is provided by the student's parent (i.e., over-the-counter medicines);
- E. anabolic steroids;
- F. any substance containing betel nuts (lareca nut)
- G. any substance that is a "look-alike" to any of the above.

### **SCOPE OF THE CODE OF CONDUCT**

Students are expected to be tobacco, alcohol, and drug-free twenty-four (24) hours a day, seven (7) days of the week while the student is under the school's jurisdiction as follows:

- A. the entire academic school year (including weekends and holidays);
- B. pre-school, in-season practices (e.g. August practices);
- C. clinics and camps attended by students either with their coaches/advisors or on their own if such clinic/camp participation is designed to facilitate participation in, or is a prerequisite to participation in the sport, curricular or extracurricular activity.

## **ALCOHOL AND DRUGS**

### **POSSESSION, USE, BUYING, RECEIVING, UNDER THE INFLUENCE OF ALCOHOL OR DRUGS**

In accordance with the rules of the Kenston Local School District, except for the supervised medications prescribed by a physician and for over-the-counter medicines provided by the student's parent, a student participating in curricular/extracurricular interscholastic activities possessing, using, buying, receiving, or being under the influence of drugs (narcotics, hallucinogenic, intoxicants, counterfeits, look-alike, designers), anabolic steroids, controlled substances, inhalants, or alcohol, at any time and at any place is in violation of the code, and if apprehended by or reported to school or appropriate law enforcement personnel, is subject to the following consequences:

#### **FIRST VIOLATION:**

The first-time offender will be denied participation in all extracurricular and/or athletic programs for thirty (30) calendar days from the time of the hearing for denial of participation. If the student agrees to schedule himself or herself into a school-approved assessment and/or treatment program, then the term of denial will be reduced to fourteen (14) calendar days. [This policy will supersede the three (3) unexcused rule]. Written verification of the student's participation in the treatment program must be made to the building administrator within seven (7) calendar days of the hearing to deny participation. Upon completion of the program, the student must be willing to follow the recommendations provided. If no school onsite program is presently available, the student's parents may choose, at their own expense, to enroll the student in an outside school-approved program. Completion of the program is mandatory and written proof of the completion must be sent to the building administrator.

#### **SECOND VIOLATION:**

A second offense during the student's high school career will result in denial of participation in all extracurricular and/or athletic programs for six (6) months from the date of hearing for denial of participation. The second-time offender may reduce that

denial to participate to thirty (30) days by completing a professional assessment and written verification to the school administrator within seven (7) calendar days of the hearing to deny participation.

### **THIRD VIOLATION:**

Additional violations of the alcohol/drug policy past the stipulated number of incidents will result in permanent denial to participate in any extracurricular and/or athletic programs until the offender has successfully completed an assessment/treatment program which is acceptable to the building administration. The student shall be denied participation for a minimum of one (1) calendar year from the date of violation and must apply for reinstatement in the extracurricular and/or athletic program after completing the treatment program. Proof of the completion of the treatment program and proof of being drug-free must be provided to the building administration in writing.

### **SALE AND/OR DISTRIBUTION OF ALCOHOL / DRUGS**

Students in violation of selling or distributing alcohol and/or drugs will be dealt with according to the Code of Student Conduct and will be denied future participation in any extracurricular or athletic program. The local law enforcement agency will be informed of any student selling or distributing alcohol and/or drugs.

### **SELF-REFERRAL BY STUDENTS**

Students may take advantage of self-referral procedure to seek information, guidance, counseling, and/or assessment in regard to his/her use of alcohol and/or drugs. First time voluntary referrals will result in the denial to participate in their activity for seven (7) calendar days with verification of the scheduled assessment or treatment appointment. Written verification of the student's participation in the treatment program must be made to the building administrator within three (3) calendar days of the hearing to deny participation.

- A. Students are allowed one voluntary referral during their high school participation.
- B. The student or his/her immediate family can make self-referrals.
- C. Self-referral cannot be used as a method to avoid consequences once a rule of the Kenston Local School District's extracurricular and interscholastic athletic policy is violated and a student has been identified as having violated that rule.
- D. Students must make self-referrals to an advisor, coach, athletic director, teacher, administrator, or guidance counselor.
- E. Those referrals to an assessing agency will remain confidential; however, proper release of information forms must be on file with the designated trained chemical dependency personnel. Files will be kept by the administration.

### **TOBACCO/NICOTINE AND TOBACCO/NICOTINE PRODUCTS**

In accordance with the Kenston Local School District's tobacco, alcohol, and drug policy for extracurricular activities and interscholastic athletics, use of and/or possession of tobacco or tobacco paraphernalia, in any form (cigarettes, cigars, snuff, dip, chewing tobacco, clove cigarettes, electronic cigarettes, any style of vaping devices, vaping cartridges, lighters, or matches, etc.) during times cited under this guideline's scope of the Code of Conduct is a violation of the extracurricular and athletic Code of Conduct and will result in the following consequences.

**FIRST VIOLATION:** The first-time offender will be denied participation in extracurricular programs for seven (7) calendar days from the time of the hearing for denial of participation as described under possession and/or use of alcohol or drugs. The student must successfully complete an acceptable tobacco education program approved by the building administrator. If a program is not available, see the Athletic Director for an alternative.

**SUBSEQUENT VIOLATION:** Each subsequent violation will result in denial to participate in extracurricular activities for thirty (30) calendar days from the time of the hearing for denial of participation.

- A. Self-referral can only take place once while a student is at Kenston High School, regardless of activity.
- B. The self-referral cannot be used to avoid punishment for violation of the extracurricular and athletic Code of Conduct.
- C. If a student seeks assistance for dealing with a tobacco problem by self-referral to his/her coach, Athletic Director, or school administrator and agrees to participate in a tobacco education program approved by school administration, there shall be no denial to participate in the extracurricular or athletic activity.

### **DISCIPLINE / DUE PROCESS EXPLANATION AND PROCEDURE**

- A. All students disciplined under this policy must complete treatment/counseling by the end of the school year. Non-compliance will result in underclassmen (freshmen, sophomores, and juniors) being ineligible for further participation in extracurricular activities or athletics until the treatment program is completed. Seniors found non-compliant will not be eligible to receive awards and/or recognition for the activity they participated in or the sport they played.
- B. The Kenston Local School District is at no time responsible for any expenses that might be incurred for chemical dependency assessment/treatment/counseling under this code. Financial responsibility for seeking such assistance rests with the parent/legal guardian.
- C. Notification process: The Administrator, Advisor/Coach, and the Athletic Director will submit immediate written notification to the parent/guardian and student of disciplinary action.

- D. Situations not covered by this code, but which are within the spirit of the code (i.e., insuring that Kenston students participating in extracurricular activities are drug-, tobacco-, and alcohol-free at all times), will be reviewed as they arise by the administration. Discipline may be imposed on a student by the building Principal after the student and his/her family has the opportunity for a hearing.

### **DEFINITION OF TERMS**

## **BULLYING AND OTHER FORMS OF AGGRESSIVE BEHAVIOR**

The Board of Education is committed to providing a safe, positive, productive, and nurturing educational environment for all of its students. The Board encourages the promotion of positive interpersonal relations between members of the school community.

This policy has been developed in consultation with parents, District employees, volunteers, students, community members, building administrators, and members of the Board as prescribed in R.C. 3313.666 and the State Board of Education’s Model Policy.

### **Definition**

Harassment, intimidation, degradation, or bullying means any intentional written, verbal, electronic, or physical act that a student or group of students exhibits toward another particular student(s) more than once and the behavior both causes mental or physical harm to the other student(s) and is sufficiently severe, persistent, or pervasive that it creates an intimidating, threatening, or abusive educational environment for the other student(s). Aggressive behavior is defined as inappropriate conduct that is repeated enough, or serious enough, to negatively impact a student's educational, physical, or emotional well being. This type of behavior is a form of intimidation and harassment, although it need not be based on any of the legally protected characteristics, such as sex, race, color, national origin, marital status, or disability. It would include, but not be limited to, such behaviors as stalking, bullying/cyberbullying, intimidating, menacing, coercion, name-calling, taunting, making threats, and hazing.

Harassment, intimidation, degradation, or bullying also means cyberbullying through electronically transmitted acts (i.e., internet, e-mail, social media, cellular telephone, personal digital assistance (PDA), or wireless hand-held device) that a student(s) or a group of students exhibits toward another particular student(s) more than once and the behavior both causes mental and physical harm to the other student and is sufficiently severe, persistent, or pervasive that it creates an intimidating, threatening, or abusive educational environment for the other student(s).

### **Prohibited Behaviors**

Harassment, intimidation, or bullying toward a student, whether by other students, staff, or third parties is strictly prohibited and will not be tolerated. This prohibition includes aggressive behavior, physical, verbal, and psychological abuse. The Board of Education will not tolerate any gestures, comments, threats, or actions which cause or threaten to cause bodily harm or personal degradation. This policy applies to all activities in the District, including activities on school property, on a school bus, or while enroute to or from school, and those occurring off school property if the student or employee is at any school-sponsored, school-approved or school-related activity or function, such as field trips or athletic events where students are under the school's control, in a school vehicle, or where an employee is engaged in school business.

### **Reporting**

Any student or student's parent/guardian who believes s/he has been or is the victim of aggressive behavior should immediately report the situation to the building principal or assistant principal, or the Superintendent. The student may also report concerns to teachers and other school staff who will be responsible for notifying the appropriate administrator or Board official. Complaints against the building principal should be filed with the Superintendent. Complaints against the Superintendent should be filed with the Board President. Every student is encouraged, and every staff member is required, to report any situation that they believe to be aggressive behavior directed toward a student. Reports may be made to those identified above.

### **Investigating**

All complaints about aggressive behavior shall be promptly investigated. The building principal or appropriate administrator shall prepare a written report of the investigation upon completion. Such report shall include findings of fact, a determination of whether acts of harassment, intimidation, and/or bullying were verified, and, when prohibited acts are verified, a recommendation for intervention, including disciplinary action shall be included in the report. Where appropriate, written witness statements shall be attached to the report.

### **Intervention and Remediation**

If the investigation finds an instance of harassment, intimidation, and/or bullying has occurred, it will result in prompt and appropriate remedial and/or disciplinary action. This may include up to expulsion for students, up to discharge for employees, exclusion for parents, guests, volunteers, and contractors, and removal from any official position and/or a request to resign for Board members. Individuals may also be referred to law enforcement officials.

Retaliation against any person who reports, is thought to have reported, files a complaint, or otherwise participates in an investigation or inquiry concerning allegations of aggressive behavior is prohibited and will not be tolerated. Such retaliation shall be considered a serious violation of Board policy and independent of whether a complaint is substantiated. Suspected retaliation should be reported in the same manner as aggressive behavior. Making intentionally false reports about aggressive behavior for the purpose of getting someone in trouble is similarly prohibited and will not be tolerated. Retaliation and intentionally false reports may result in disciplinary action as indicated above.

If a student or other individual believes there has been aggressive behavior, regardless of whether it fits a particular definition, s/he should report it and allow the administration to determine the appropriate course of action.

This policy shall not be interpreted to infringe upon the First Amendment rights of students (i.e., to prohibit a reasoned and civil exchange of opinions, or debate, that is conducted at appropriate times and places during the school day and is protected by State or Federal law).

The complainant shall be notified of the findings of the investigation, and as appropriate, that remedial action has been taken. If after investigation, acts of bullying against a specific student are verified, the building principal or appropriate administrator shall notify the parent/guardian of the victim of such finding. In providing such notification care shall be taken to respect the statutory privacy rights of the perpetrator of such harassment, intimidation, and/or bullying.

If after investigation, act of harassment, intimidation, and/or bullying by a specific student are verified, the building principal or appropriate administrator shall notify in writing the parent/guardian of the perpetrator of that finding. If disciplinary consequences are imposed against such student, a description of such discipline shall be included in the notification.

### **Complaints**

Students and/or their parents/guardians may file reports regarding suspected harassment, intimidation, or bullying. Such reports shall be reasonably specific including person(s) involved, number of times and places of the alleged conduct, the target of suspected harassment, intimidation, and/or bullying, and the names of any potential student or staff witnesses. Such reports may be filed with any school staff member or administrator, and they shall be promptly forwarded to the building principal for

review, investigation, and action. When a student making an informal complaint has requested anonymity, the investigation of such complaint shall be limited as is appropriate in view of the anonymity of the complaint. Such limitation of investigation may include restricting action to a simple review of the complaint subject to receipt of further information and/or the withdrawal by the complaining student of the condition that his/her report be anonymous.

### **Privacy/Confidentiality**

The School District will respect the privacy of the complainant, the individual(s) against who the complaint is filed, and the witnesses as much as possible, consistent with the Board's legal obligations to investigate, to take appropriate action, and to conform with any discovery or disclosure obligations. All records generated under this policy and its related administrative guidelines shall be maintained as confidential to the extent permitted by law.

### **Documenting**

At least semi-annually, the Superintendent shall provide to the President of the Board a written summary of all reported incidents and post the summary on the District web site (if one exists). The list shall be limited to the number of verified acts of harassment, intimidation, and/or bullying, whether in the classroom, on school property, to and from school, or at school-sponsored events.

Allegations of criminal misconduct and suspected child abuse will be reported to the appropriate law enforcement agency and/or to Child Protective Services in accordance with statute. District personnel shall cooperate with investigations by such agencies.

### **Immunity**

A School District employee, student, or volunteer shall be individually immune from liability in a civil action for damages arising from reporting an incident in accordance with this policy and R.C. 3313.666 if that person reports an incident of harassment, intimidation, and/or bullying promptly, in good faith, and in compliance with the procedures specified in this policy. Such immunity from liability shall not apply to an employee, student, or volunteer determined to have made an intentionally false report about harassment, intimidation, and/or bullying.

### **Notification**

Notice of this policy will be **annually** circulated to and posted in conspicuous locations in all school buildings and departments within the District and discussed with students, as well as incorporated into the teacher, student, and parent/guardian handbooks.

### **Education and Training**

In support of this policy, the Board promotes preventative educational measures to create greater awareness of aggressive behavior, including bullying. The Superintendent or designee shall provide appropriate training to all members of the School District community related to the implementation of this policy and its accompanying administrative guidelines. All training regarding the Board's policy and administrative guidelines and aggressive behavior and bullying in general, will be age and content appropriate. The Superintendent is directed to develop administrative guidelines to implement this policy. Guidelines shall include reporting and investigative procedures, as needed. The complaint procedure established by the Superintendent shall be followed. R.C. 3313.666, 3313.667 State Board of Education Model Policy (2007) Adopted 8/18/03 Revised 12/10/07

## **BULLYING / AGGRESSIVE BEHAVIOR INTERVENTION PROCESS**

### **Report**

Students may report bullying incidents and aggressive behavior directly to administration, guidance counselors, or other staff members in the building. Upon initial report of the behavior, there will be an interview with the student including a documented statement completed with information regarding the specific behavior and other students that are involved. Communication to the parents of the student will be made to confirm the initial report status.

### **Investigate**

The administration, with assistance of the guidance counselors, will investigate the situation to determine whether acts of bullying or aggressive behavior occurred. This may consist of additional student and staff interviews to gain necessary information. Communication with the parents of all students involved will be followed up after the investigative report has been completed.

### **Mediate**

Based on the results of the investigation, a recommendation of a student-mediation will be made to discuss behaviors and accusations between the students. All parties must agree to the rules of mediation before it can occur. The mediation will be facilitated by either administration or a guidance counselor in a controlled setting. The initial goals of mediation will be to understand the behavior and emotions involved between the students. Behavior expectations will be set at the conclusion of the mediation with monitoring strategies set in place.

### **In-School Restriction**

If bullying or aggressive behavior continues to be reported after initial mediation, the student(s) can be subject to In-School Restriction for further bullying intervention. While serving In-School Restriction, the student(s) will be required to meet with a counselor from the Guidance Department where further bullying curriculum will be presented. The student(s) will be responsible for a written reflection or interpretation on the concept of negative behaviors. They will then present this written information to the Guidance staff member prior to returning to class.

### **Suspension**

If suspension is considered to be an appropriate consequence based on the severity of the initial behavior, then the student would be referred to an outside counseling agency. The parents have the option of scheduling a counseling session for their child. With written documentation of the counseling appointment, the suspension days can be reduced. Upon return to school, a student-behavior plan would be implemented by the administration for continued monitoring and support of the student's actions.

### **Detentions**

Detentions will be assigned to students who elect to present unfavorable behavior in school. Detentions are held every day from 2:25 P.M. to 3:10 P.M., and are assigned by an administrator.

#### **Saturday Detentions**

All school rules are in effect at the time of the detention, on school property, and either coming to or leaving the Saturday detention. **Saturday detentions will be held from 8:00 A.M. to 11:00 A.M.** The following requirements must be met in order for the Saturday detention to count:

1. Students will bring proper materials to keep busy for the entire time, as they will not be able to go to lockers or borrow anything from anyone or use anything in the room. Improper materials, such as radios, toys, beepers, headphones, or any other electronic device or inappropriate publications will be confiscated and returned only to the parent/guardian.
2. Students who are tardy to the Saturday detention will not be admitted.
3. Students must attend the entire three hours of the Saturday detention.
4. There will be no breaks. Students will be issued a lavatory pass by the supervisor.
5. Students will remain awake, keep their heads up, and sit properly on their chairs facing forward.
6. Students asked to leave because of inappropriate behavior may be suspended out of school.
7. An absence from the Saturday detention will be excusable only if the reason would be acceptable as an excused absence from school.
8. Students will remain silent. Students will raise their hands if they need help from the supervisor.
9. If a student becomes eligible for another Saturday detention BEFORE one is served, he/she will receive an in-school restriction.
10. Students who fail to serve the Saturday Detention will be given (1) day out of school suspension the following Monday. Suspension notification will be included as part of the Saturday detention document. Parents will be contacted by the school administration and they will also receive a copy of the document. (See out of school suspension on page 31).

### **DISCIPLINARY REFERRALS**

Staff members will handle disciplinary offenses through a variety of methods. These include conferences with students, contacting parents, referral to the office, or any other suitable methods they deem appropriate to the situation. Students who receive a disciplinary referral will meet with an Assistant Principal and consequences will include, but not be limited to, the following: parents contact, detention, class suspension, Saturday session, in-school restriction, suspension and/or expulsion. Consequences will be determined with each individual referral. As an individual student's referrals increase, the consequences will increase accordingly. Students will be held accountable for their actions and consequences must be met, regardless of any after-school activities, athletic practices/games, or jobs held after school or on Saturdays.

### **DUE PROCESS**

A student can expect to receive written notice of Intent to Suspend or Expel and the reason(s) for such action. The student will be given the opportunity to appear at an informal hearing to explain his/her actions or challenge the reasons. Within one (1) school day after the time of a student's suspension, written notice of suspension will be sent to the parent(s)/guardian(s). The notice will specify the duration of the suspension and the reason(s) for the suspension as well as the right and procedure to appeal. Prior to expulsion, the Superintendent will give the student and his/her parent(s)/guardian(s) written notice and provide an opportunity to appear and explain the student's actions or challenge the reason(s). The notice will include reason(s) for the possible expulsion and the time and place of the hearing. Within one (1) school day after the expulsion hearing, the

Superintendent will send written notice to the student and his/her parent(s)/guardian(s). The notice shall specify the duration of the expulsion and the reason(s) for the expulsion. It shall also include notification of the right to appeal. (Policy 5611)

## **EXPULSION**

Expulsion is defined as the denial of permission to attend school or to take part in any school-related activity for a period of up to ninety (90) school days. Expulsion is recommended by the principal and is imposed when the Superintendent determines that the student has participated in one or more of the types of misconduct that are a grievous violation of the Student Code of Conduct.

## **GANGS**

Gangs that initiate, advocate or promote activities that threaten the safety or well-being of persons or that are disruptive to the school environment will not be tolerated. Incidents involving initiations, hazing, intimidations or related activities that are likely to cause harm or personal degradation are prohibited. Students wearing, carrying or displaying gang paraphernalia or exhibiting behaviors or gestures that symbolize gang membership or causing and / or participating in activities that are designed to intimidate another student will be disciplined. Prohibited gang paraphernalia will be specifically identified and posted by the principal.

## **IN-SCHOOL RESTRICTION (KENSTON IN-SCHOOL RESTRICTION – KISR)**

The removal of a student from his/her regularly scheduled classes for a period of at least one (1) but not more than ten (10) consecutive days. During this period of in-school restriction, a student will remain and perform his/her studies in a specified area. No academic credit will be lost solely because a student is assigned an in-school restriction. **If a student is to serve an**

### **in-school restriction:**

- Students will receive credit in all classes
- Students are permitted on school property
- Students may attend/participate in any co-curricular activities

**The in-school restriction is not subject to an appeal process.**

## **OUT-OF-SCHOOL SUSPENSION**

In cases of gross misconduct or persistent and repetitive violations of school rules, a student may be suspended out-of-school. An out-of-school suspension can also be assigned to students who fail to serve a Saturday detention. While suspended, students are not allowed to come to school, attend classes, attend or participate in extracurricular activities or evening events. The student will be permitted to make up coursework that occurred during the suspension for credit, including assessments, however not all class work and activities can be replicated. Therefore, the teacher will be given discretion to assign an alternative assignment or exempt the assignment from the student's grade.

## **PRINTING AND DISTRIBUTION OF MATERIAL - POSTING ON SCHOOL WEBSITE - UNAUTHORIZED USE OF SCHOOL EQUIPMENT**

Students are not permitted to use school equipment, including, but not limited to, unauthorized computers, cameras, camera equipment, and sporting goods, or paper to print any materials which have not been approved by the administration. Printed materials may not be posted or distributed without prior administration approval. No material may be printed, distributed, or circulated if it contains obscene or defamatory material and/or would tend to disrupt the educational process or interfere with the rights of others to express or receive ideas or opinions. This includes anything posted on the school's Website without the prior approval of the administration or faculty Webmaster. **Any violations of this policy may result in disciplinary consequences including suspension.**

## **PROFANITY / SWEARING / GESTURES / OBSCENE LANGUAGE OR MATERIALS**

Students are prohibited from using profane, abusive or vulgar language or gestures, or from directing such language or gestures toward any other individual for any purpose. In addition, pornographic or sexually explicit materials are not permitted under any circumstances. Use of profanity or obscenity is not permitted in the halls or classrooms, or anywhere within the school environment. Circumstances surrounding the use of profanity will determine the severity of the consequence or suspension.

## **RIGHTS AND RESPONSIBILITIES OF STUDENTS**

Students attend the Kenston Schools under the direction of State Law and with the full benefits of constitutional protection for their rights as citizens. Kenston Board Policies 5600 and Administrative Board Guidelines 5600A specify the school's expectations. Pupils have a right to reasonable treatment from the school and its employees. The Kenston Schools, in turn, have a right to expect reasonable behavior from their students. Freedom carries with it responsibilities for all concerned.

## **SCHOOL DRESS GUIDELINES**

Students should at all times be dressed in a manner that is conducive to a businesslike scholastic atmosphere. The status symbol which modern youth seek to attain is appreciated; however, as with all things, there are limitations. The administration and faculty reserve the right to question improper dress of any individual, discuss his/her appearance with him/her and his/her parents, and to require an improvement of same. Students that fail to adhere to the dress guidelines are subject to disciplinary consequences. Inappropriate dress will be judged using the following criteria:

- Clothing that presents a hazard to the health and safety of the student or others
- Clothing that materially interferes with school work, creates disorder, or disrupts the educational program
- Articles that can damage school property (chains, rivets, cleats, etc.)
- Clothing that prevents the student from achieving educational objectives due to blocked vision or restricted movement

### **The following is expected of all students:**

**ACCESSORIES:** No chains or spiked / riveted jewelry or sunglasses are permitted.

**ADVERTISE:** Students may not wear clothing that advertises or promotes the use of alcohol, tobacco, drugs or other prohibited items.

**ATTIRE:** Any style of dress that is a distraction to others or causes unfavorable comment is considered detrimental to the school and will not be permitted. This includes any holes (including mesh underlays) in clothing that is deemed inappropriate by the administration. Students are not permitted to wear bottoms with rips/holes above the middle of the thigh. Students may be sent home until proper dress is adopted.

**COATS:** Coats, jackets, varsity jackets should be placed in the student's locker for the duration of the day. Those students who consider the building to be cold should dress appropriately and wear layers.

**FITTING:** Any clothing with improper fit (exceeding one size beyond correct size) shall not be permitted. Sagging of pants/shorts is not permitted and they must be worn above the hips. There shall be no display of undergarments such as underwear, boxer shorts, bra/ bralette straps, athletic shorts, or pajamas at anytime.

**HATS:** The wearing of or carrying of hats, caps, bandannas, scarves, headbands, hoodies, or other headgear will not be permitted unless wearing of such articles is in keeping with an organized religion and a letter to that effect is on file in the main office.

**POLICY:** The administration shall have the right to modify specific items in these regulations as school situations and activities merit. In situations where a disagreement exists as to whether or not attire is appropriate, the administration shall make the final decision.

**SHIRTS:** Tank tops, cut-off shirts, spaghetti strap tops, halters, tube tops, pajamas top, mesh shirts, are not permitted. Any shirts that show the bare midriffs when the student's hands are extended above the head or other tops that are revealing or low-cut are not permitted.

**SHOES**  
**SHORTS,**  
**SKIRTS,**  
**DRESSES,**  
**YOGA Pants:** Students are expected to wear conventional foot covering. Bare feet are not permitted. The length of shorts, skirts or dresses shall be approximately to the middle of the thigh. In addition, shorts and skirts must allow students to be able to stand, sit and/or bend with modesty as deemed by the administration. When students wear leggings, tights, or spandex they must also wear either shorts, skirts or a dress with the proper length approximately to the middle of the thigh. When students wear yoga pants/leggings, they must wear longer length shirts reaching an appropriate length of at least mid-thigh. Students are also not permitted to wear jeans with rips/holes above the middle of the thigh. Pajama pants, boxer shorts, bicycle/spandex shorts, frayed shorts or short shorts are not permitted (except when required for Physical Education classes).

**UNDERGARMENTS:** Undergarments are to be worn under clothing and should not be seen. Undergarments worn as a visible "fashion statement" are prohibited.

**SYMBOLS:** Writing and/or symbols on garments should not be such as to literally, or by implication, be obscene or offensive, or be such as to shock the standards of common decency this includes any political statements.

## **SEARCH AND SEIZURE**

Students possess the right to privacy as well as freedom from unreasonable searches and seizures of property. This individual right, however, is balanced by the school's responsibility to protect the health, safety, and welfare of its students. Therefore, items of clothing and book bags are subject to search under the condition of "reasonable suspicion" and school authorities may seize any item, such as cell phones, that violate school or criminal rules. Although searches may take place without the knowledge of the student and with no advance warning, an attempt will be made to notify the student and have the student present during the search (Policy 5771). **Refusal to submit to a search may be considered insubordination.**

- **Notice of Search of Lockers**

The lockers supplied by the Board of Education and used by the students are the property of the Board. Therefore, the student lockers and the contents of all the student lockers are subject to random search at any time without regard to whether there is a reasonable suspicion that any locker or its contents contains evidence of a violation of a criminal statute or a school rule. Random searches may include a search with the assistance of dogs trained to detect the presence of drugs.

- **Notice of Search of Motor Vehicles**

Motor vehicles driven by students to school and parked on school property are subject to random search by dogs trained to detect the presence of drugs. These searches may be conducted when there is a reasonable suspicion that any motor vehicle, or its contents, contains evidence of a violation of a criminal statute or a school rule.

## **STUDENT DEMONSTRATIONS**

Students will not be denied their right to freedom of expression. However, the disruption of any school activity will not be allowed, and the expression may not infringe on the rights of others. If a student or students feel there is need to organize some form of demonstration, they are encouraged to contact the principal to discuss the proper way to plan such an activity.

## **THREAT ASSESSMENT**

Any concerning communication or behavior that suggests a person may intend to harm a staff member, student, or other person associated with the District is considered a threat. The threat may be spoken, written, gestured, or communicated electronically. Once a threat has been reported, a threat assessment will take place to determine the level (high, medium, or low) of the threat. The threat level will define specific steps, actions, and/or consequences for the behavior based on the information and/or situation. All threat assessments will be documented on district level forms through the IAT process.

## **WIRELESS COMMUNICATION DEVICES**

### **Definition**

A "wireless communication device" is a device that emits an audible signal, vibrates, displays a message, or otherwise summons or delivers a communication to the possessor. The following devices are examples of WCDs: cell phones, tablets, laptops, and other devices that allow a person to record and/or transmit, on either a real time or delayed basis, sound, video or still images, text, or other information. Personal listening devices will be permitted before school, during transition, during lunch and after school hours only. As part of the KHS 1:1 initiative, all students will be issued a chromebook for academic use throughout the school year. The chromebooks are school property and students are expected to use them appropriately. Any misuse of chromebooks will result in disciplinary action under the "Possession of Cell Phone or Electronic Device" guideline.

### **Acceptable Behaviors**

Students may use wireless communication devices (WCDs) before school, during transition, during lunch and after school hours, as long as they do not create a distraction, disruption, or otherwise interfere with the educational environment. Students may use WCDs while riding to and from school on a school bus or other vehicle provided by the Board or on a school bus or Board-provided vehicle during school-sponsored activities, at the discretion of the bus driver. Distracting behavior that creates an unsafe environment will not be tolerated. Students may use WCDs for an educational or instructional purpose (e.g. taking notes, recording a class lecture, writing papers) with the teacher's permission and supervision.

### **Prohibited Behaviors**

Unless otherwise approved, the use of WCDs, at any other time is prohibited. They must be powered off and stored out of site. Students may not use WCDs on school property or at school-sponsored activities to access and/or view Internet websites that are otherwise blocked to students at school. Also, during after school activities when directed by the administrator or sponsor, the WCD shall be powered completely off (not just placed on vibrate or silent mode) and stored out of site. The requirement that WCDs must be powered completely off will not apply in the following circumstances when the student obtains prior approval from the building principal:

- The student is a member of a volunteer fire company/department, ambulance or rescue squad.
- The student has a special health circumstance (e.g. an ill family member, or his/her own special health condition).

Students are prohibited from using WCDs to capture, record or transmit the words (i.e. audio) and/or images (i.e. pictures/video) of any student, staff member or other person in the school or while attending a school-related activity, without express prior notice and explicit consent for the capture, recording or transmission of such words or images. Using a WCD to take or transmit audio and/or pictures/video of an individual without his/her consent is considered an invasion of privacy and is not permitted, unless authorized by the building principal. Students who violate this provision and/or use a WCD to violate the privacy rights of another person may have their WCD confiscated.

WCDs including but not limited to those with cameras, may not be possessed, activated or utilized at any time in any school situation where a reasonable expectation of personal privacy exists. These locations and circumstances include but are not limited to locker rooms, shower facilities, restrooms, classrooms and any other areas where students or others may change clothes or be in any stage or degree of disrobing or changing clothes. The building principal has authority to make determinations as to other specific locations and situations where possession of a WCD is absolutely prohibited.

“Sexting” is prohibited at any time on school property or at school functions. Sexting is the electronic transmission of sexual messages or pictures, usually through cell phone text messaging. Such conduct not only is potentially dangerous for the involved students, but can lead to unwanted exposure of the messages and images to others, and could result in criminal violations related to the transmission or possession of child pornography. Such conduct will be subject to discipline and possible confiscation of the wireless communication device.

### **Violations**

Violations of this policy may result in disciplinary action and/or confiscation of the WCD. The building principal may also refer the matter to law enforcement if the violation involves an illegal activity (e.g. child pornography). Discipline will be imposed on an escalating scale ranging from a warning to an expulsion, based on the number of previous violations and/or the nature of or circumstances surrounding, a particular violation. If the WCD is confiscated, it will be released/returned to the student's parent/guardian after the student complies with any other disciplinary consequences that are imposed. Any WCD confiscated by District staff will be marked in a removable manner with the student's name and held in a secure location in the building's central office.

WCDs in district custody will not be searched or otherwise tampered with unless school officials reasonably suspect that the search is required to discover evidence of a violation of the law or school rules. Any search will be conducted in accordance with Policy 5771 – Search and Seizure. If multiple offenses occur, a student may lose his/her privilege to bring a WCD to school for a designated length of time or permanent basis.

Students are personally and solely responsible for the care and security of their WCDs. The board assumes no responsibility for theft, loss, damage, or vandalism to WCDs brought onto its property, or the unauthorized use of such devices. Parents/guardians are advised that the best way to get in touch with their child during the school day is by calling the school office. Students may use the school phone in the main office to contact parents/guardians during the school day.

### **ZERO TOLERANCE**

No form of violent, disruptive, or inappropriate behavior, including excessive truancy, will be tolerated.

## **STUDENT DISCIPLINE POLICY 5600 / GUIDELINES 5600A**

It is the school's responsibility to provide a safe and orderly learning environment. History has shown that certain student actions are not compatible with the word “safe” and “orderly.” Discipline is within the sound discretion of the school's staff and administration. Due process ensures that disciplinary action is imposed only after review of the facts and/or special circumstances of the situation.

The following provides a list of major areas that could result in disciplinary action. The absence of a behavior or any specific action from the list does not mean that such conduct does not violate the discipline code or cannot be punished. **Each of the behaviors described below may subject the student to disciplinary action including suspension and/or expulsion.**

### **Section I**

The described behaviors in this section are cumulative for any offense. They may result in discipline actions which will be determined on the severity of the infraction. A list of these suggested actions follows this section.

- 1. Aiding or Abetting** - If a student assists another student in violating any school rule, they will be disciplined. Students are expected to resist peer pressure and exercise sound decision-making regarding their behavior.
- 2. Bus Misconduct** - No student may interfere with the safe operation of the bus through destructive actions or language towards other students, drivers, or passing motorists. Bus misconduct will result in disciplinary action which may include the loss of bus-riding privileges. (See Bus Regulations – Pg. 6-7)
- 3. Cafeteria Conduct** – Students must follow all appropriate expectations in the cafeteria. All food or beverages (excluding bottled water) must remain in the cafeteria area and will be confiscated if found in other areas of the building.

4. **Dress Code** – Students are expected to dress appropriately at all times. Any fashion trend (dress, accessories, or hairstyle) that may disrupt the educational process is not permitted. (See School Dress Guidelines – Pg. 32)
5. **Falsification of School Work, Forgery, Identification, Plagiarism** – Forgery of hall passes, bus passes, or identification are not acceptable. Plagiarism and cheating are also forms of falsification and are subject to discipline and academic consequences from classroom teachers. (Failure of assignments to failure of course)
6. **Disruption of the Educational Process** – Any actions or manner of dress that interfere with school activities and disrupt the educational process are unacceptable. Such disruptions also include delay or prevention of lessons, assemblies, field trips, athletic, and performing arts events.
7. **Displays of Affection** – Students demonstrating affection between each other are personal and not meant for public display. This includes touching, hugging, kissing, or any other contact that may be considered sexual in nature.
8. **Inappropriate Language, Comments, Profanity, or Gestures** – No student shall use profane, vulgar, racially, religiously derogatory, abusive, or otherwise disrespectful language during school hours or at any school-sponsored activities or events. Neither shall any students use profane, vulgar, slang terms, or other improper gestures, publications, pictures, or signs.
9. **Insubordination / Noncompliance** – Students shall comply with the reasonable requests, and directives from all authorized school personnel during any period of the school day or during school-sponsored activities and events. Students shall comply with all school rules and regulations which are a part of this discipline policy.
10. **Misconduct Off School Grounds** – Students may be subject to disciplinary consequences for misconduct off school property, when the misconduct is connected to activities or incidents that occurred on property owned or controlled by the district, or any other location where a school activity or event is taking place.
11. **Persistent Absence or Tardiness** – Attendance laws require students to be in school all day or have a legitimate excuse. It is also important to establish consistent attendance habits in order to succeed in school and in the world of work. Consequences can range from detention to a referral to court, and/or revocation of the student’s Driver’s License.
12. **Possession of Cell Phones or Electronic Devices** – There shall be no misuse/unauthorized use of cell phones, iPads, personal listening devices, pagers, electronic games, laser pointers, cameras, camera phones, video recorders, or any other electronic equipment during class time unless approved by the classroom teacher for educational purposes only. Personal devices will be permitted before school, after school, during transition and during lunch hours only. Students may have these items confiscated by high school personnel with a written office referral for “disruption of school”. Confiscated devices may be searched for photos, text and/or sexting messages if there is reasonable suspicion that it may have been used in any action that is prohibited by the Student Discipline Policy or criminal laws. (See pg. 33-34 - WCDs)
13. **Refusing to Accept Discipline** – The school may use informal discipline to prevent the student from being removed from school. When a student refuses to accept the discipline, the refusal can result in a sterner action.
14. **Trespassing** – Although schools are public facilities, the law does allow the school to restrict access on school property. When a student has been removed, suspended, expelled, or permanently excluded, the student is not allowed on school property without authorization of the principal.
15. **Truant from School** – Leaving school without permission or skipping classes can result in discipline and possible loss of driving privileges.
16. **Unauthorized Use of School or Private Property** – Students are expected to obtain permission to use any school property or any private property located on school premises. Any unauthorized use shall be subject to disciplinary action.
17. **Violation of Individual School/Classroom Rules** – Each learning environment has different rules for students. Individual rules are for the safe and orderly operation of that environment. Students will be oriented to specific rules, all of which will be consistent with the policy of the school.

## **Section II**

The described behaviors in this section are cumulative for any offense. Discipline consequences may result up to a 10-day suspension along with a possible recommendation for expulsion and/or referral to law enforcement due to the more serious nature of these offenses. A list of suggested actions follows this section.

1. **Bullying / Harassment / Hazing / Aggressive Behavior** – The school believes that every individual deserves to be able to come to school without fear of demeaning remarks or actions. The aggressive behaviors toward other students or members of the staff, or any other individual are not permitted. This includes any speech or action that creates a hostile, intimidating, or offensive learning environment. (See policy pages 27-30).
  2. **Criminal Acts** – Any criminal acts occurring at or related to the school will be reported to law enforcement officials as well as disciplined by the school. It is not considered double jeopardy (being tried twice for the same crime), when school rules and the law are violated. Certain criminal acts may result in permanent exclusion.
  3. **False Alarms and False Reports** – A false emergency alarm or report endangers the safety forces that are responding, the citizens of the community, and persons in the building. What may seem like a prank is a dangerous stunt that is against the law.
  4. **Fighting / Physical Confrontation** – Students who choose to defend themselves by fighting are choosing to accept the appropriate consequences. Students involved in fighting or any other physical confrontations might also face assault charges. In most cases, all parties involved in a fight will be suspended.
  5. **Explosives** – Explosives, fireworks, and chemical-reaction objects such as smoke bombs, small firecrackers, and poppers are forbidden in school.
  6. **Extortion** – Extortion is the use of threat, intimidation, or force to take or receive something from someone else. Students may be referred to law enforcement.
  7. **Gambling** – Gambling includes casual betting, betting pools, or any other form of wagering. Students who bet on an activity in which they are involved may also be banned from that activity.
  8. **Knowledge of Dangerous Weapons or Threats of Violence** - The Kenston Board of Education believes that students, staff members, and visitors are entitled to function in a safe school environment. Students are required to report knowledge of dangerous weapons or threats of violence to the Administration. Failure to report such knowledge may subject the students to disciplinary action.
  9. **Misconduct against a school official or employee, or the property of such a person** - The Kenston Board of Education prohibits misconduct committed by a student against a school staff member, or the property of the staff member, including, but not limited to, harassment (of any type), vandalizing, assault (verbal and/or physical), destruction of property and use of profanity directed towards a staff member.
  10. **Physically Assaulting a Staff Member / Student / Person Associated with the District** - Physical assault of a staff member, student, or other person associated with the District which may or may not cause injury, or injury to a staff member may result in charges being filed and subject the student to expulsion.
  11. **Possession of a Weapon** – A weapon includes conventional objects like guns, pellet guns, knives, or club-type instruments. It also includes any object that is used to threaten or harm another may be considered a weapon. This includes, but is not limited to, padlocks, pens, pencils, chairs, jewelry, etc. This violation may subject a student to expulsion and possible permanent exclusion. Criminal charges may be filed for this violation. Possession of a weapon will subject a student to expulsion and possible permanent exclusion. It will make no difference whether or not the weapon belongs to someone else, unless the student can provide convincing evidence that the weapon was placed in the student’s possession without his/her knowledge. If it can be confirmed that a weapon was brought on District property by a student other than the one who possessed the weapon, that student shall also be subject to the same disciplinary action.
- State law requires that a student be expelled from school for a period of one (1) year if he/she brings into, or has in his/her possession, on school property or at a school-related activity, any of the following:
- Explosive, incendiary, or poison gas including bombs, grenades, rockets, missiles, mines, or devices that can be converted into such a destructive item.
  - Cutting instrument consisting of a sharp blade fastened to a handle.
  - Objects that are intended to invoke bodily harm or fear of bodily harm.
12. **Purposely Setting a Fire** – Anything, such as fire, that endangers school property and its occupants will not be tolerated. Arson is a felony and/or cause for civil action. This violation may subject a student to expulsion and possible permanent exclusion.
  13. **Theft / Vandalism / Destruction of Property** – When a student is caught stealing school or personal property, he/she will be disciplined and may be reported to law enforcement officials. Students are encouraged not to bring anything of value that is not needed for learning. The school is not responsible for personal property. Students who may damage, delete, or tamper

with school or personal property including school files as well as any information listed on the Website are subject to appropriate discipline and consequences.

**14. Threatening a Staff Member / Student / Person Associated with the District** – Any concerning communication or behavior that suggests a person may intend to harm a staff member, student or other person associated with the District is considered a threat. The threat may be spoken, written, gestured or communicated electronically. Once a threat has been reported, a threat assessment will take place to determine the level (high, medium or low) of the threat. The threat level will define specific steps, actions and/or consequences for the behavior based on the information and / or situation. All threat assessments will be documented on district level forms through the IAT process.

**15. Use of Alcohol** – The sale, distribution, possession, or use of alcohol, or look-alike alcohol products is prohibited. If there is reasonable suspicion to believe that a student has consumed alcohol, the Administration may arrange for a breath test for blood-alcohol to be conducted on a student. The student will be taken to a private Administrative or instructional area on school property with at least one other member of the teaching or administrative staff present as a witness to the test. The purpose of the test is to determine whether or not the student has consumed any alcohol. The amount of consumption is not relevant, except where the student may need medical attention. If the result indicates a violation of school rules as described in this handbook, the student will be disciplined in accordance with disciplinary procedures described in this handbook. If a student refuses to take the test, he/she will be advised that such denial leaves the observed evidence of alcohol not refutable, thus leading to disciplinary action. The student will then be given a second opportunity to take the test. (See policy pgs. 12-13, 20-21, 40-41).

**16. Use of Drugs** – If there is reasonable suspicion to believe that a student is under the influence of drugs, the administration may refer the student to local law enforcement. The sale, distribution, possession, or use of drugs, narcotics, alcohol, mood-altering drugs, steroids, inhalants, or look-alike drugs is prohibited. This includes non-alcoholic beers, wines, over-the-counter stimulants, and antidepressants. This prohibition also applies to any type of drug-related paraphernalia. (See policy pgs. 12-13, 20-21, 40-41)

**17. Use of Tobacco/Nicotine** – Smoking, vaping, and other tobacco/nicotine uses are a danger to a student’s health and to the health of others. The school prohibits the sale, distribution, use, and/or possession of tobacco or tobacco/nicotine paraphernalia, in any form (cigarettes, cigars, snuff, dip, chewing tobacco, clove cigarettes, electronic cigarettes, any style of vaping devices, vaping cartridges, lighters, or matches, etc.), including look-alike products, during school time or at any school activity. This prohibition also applies when going to and from school and at school bus stops. (See policy pgs. 20-21, 41)

## OHIO LAW

Ohio law recognizes O.R.C. 3313.20, the right and obligation of the Board of Education to adopt rules regulating the behavior of pupils. Further laws have been made to assist in the maintenance of order and the enforcement of school rules. Some of these are:

### COMPULSORY ATTENDANCE

Chapter 3321 of the O.R.C. states that prompt and regular attendance is mandatory. The following quotes appear in Chapter 3321.

1. "A child between 6 and 18 years of age is of compulsory age..."
2. "Every parent, guardian, or other person having charge of any child of compulsory school age, who is not employed under an Age and Schooling Certificate and who has not been determined to be incapable of profiting substantially by further instruction, must send such child to a school which conforms to the minimum standards prescribed by the State Board of Education for the full time the school is in session..."

### DELINQUENT CHILD

Section 2151.02 O.R.C. has been repealed, but Section 2151.011(B)(12) states "Delinquent child has the same meaning as in Section 2151.022 of the Revised Code."

### LIABILITY OF PARENTS FOR ASSAULT

Section 3109.10 O.R.C. makes parents liable: "...in an amount not to exceed two thousand dollars (\$2,000.00) and costs...in cases where their children commit a...willful and malicious assault...by means of force likely to produce great bodily harm..."

## **LIABILITY OF PARENTS FOR VANDALISM**

Section 3109.09 O.R.C. makes parents liable for acts of destruction committed by their children. This law reads, in part: “Any owner of property is entitled to maintain an action to recover compensatory damages in a civil action in an amount not to exceed two thousand dollars (\$2,000.00) and costs of suit in a court of competent jurisdiction from the parents, having the custody and control of a minor under the age of eighteen (18) years, who willfully damages property is not dependent upon a prior finding of delinquency of such minor.”

## **PHYSICAL RESTRAINT**

Both certificated and non-certificated employees, including bus drivers, may, within the scope of their employment, physically restrain and/or seclude a student, but only when there is immediate risk of physical harm to the student and/or others, there is no other safe and effective intervention possible, and the physical restraint or seclusion is used in a manner that is age and developmentally appropriate and protects the safety of all children and adults at school.

All restraint and seclusion shall only be done in accordance with Board Policy (5630.01), which is based on the standards adopted by the State Board of Education regarding the use of student restraint and seclusion.

## **UNRULY CHILD**

Section 2151.022 O.R.C. defines an unruly child as follows, in part: “...includes any child:
